○ **Do not contact my doctor for approval to change my prescription to a preferred medicine.** Your benefit plan sponsor may consider certain medicines to be "non-preferred" or "non-formulary". Usually, this means that there is another medicine that may work the same way and do the same thing, but may be less expensive. As a service to you, we may contact your doctor for approval to dispense the alternate medicine, if one exists. If you mark this oval, Caremark will **not** contact your doctor for approval to change your medicine.

○ Mark here if you want your mail service materials printed in Spanish.

Generic Medicines: We want to provide you with high quality medicines at the best possible price. In order to do this, we will substitute generic medicines for brand name products whenever possible. No change to a generic will be made if your doctor specifies that a brand name medicine should be dispensed. **If you do NOT want us to substitute a generic, please list the medicine name(s) in the comments section below that you would like dispensed as brand name only.**
